COMMAND STAFF: ASSISTANT CHIEF JAMES WHITE

1 Detroit, Michigan

2 Tuesday, June 30, 2015

3 About 3:03 p.m.

4 (Assistant Chief White and Commissioners
5 Burton and Taylor not present).

6 CHAIRPERSON BELL: Good afternoon.

7 AUDIENCE: Good afternoon.

8 CHAIRPERSON BELL: I want to welcome you to
9 the weekly Board of Police Commission meeting. I am
10 your Chair, Willie Bell. In fact, as of 12:01, I will
11 no longer be your Chair, tonight. But it has been a
12 pleasure to see all your smiling faces in attendance.

13 So we are going to call the meeting to order,
14 but we do not have a quorum at this particular time,
15 but I want to go through some of the formalities. And
16 then if not, we have to pause because we don't have a
17 quorum to take care of business.

18 I would ask our Chief Investigator if she
19 would be so kind to bring forth a blessing to this body
20 here, I would appreciate it.

21 CHIEF INVESTIGATOR DRAKE: Thank you,
22 Mr. Chair.

23 Let us bow our heads.

24 Father, in the name of Jesus, we thank you, O
25 God, for this day that you have made. We will rejoice

1 and be glad in it. Dear God, we thank you, O God, for
2 this Board. We ask, O God, that you help in the
3 deliberations today, O God. Remember the community,
4 Father. Help them to be more useful to the community,
5 O God, help them to respond to the community as needed.
6 Remember each and every police officer, O God, as they
7 go out to do their jobs. Protect them, keep them,
8 create a hedge of protection around about them, dear
9 Lord, and the community as a whole, dear Lord, and we
10 will be careful to give you the praise, the honor and
11 the glory in your name above all other names, the
12 mighty and precious name of Jesus we pray.

13 Amen.

14 AUDIENCE: Amen.

15 CHAIRPERSON BELL: Thank you, Chief
16 Investigator. I know you always have a prayer in you
17 and share that blessing with us.

18 (Assistant Chief James White entered at about
19 3:05 p.m.)

20 CHAIRPERSON BELL: I just want to lift up the
21 family of retired Commander Ridley Robinson in terms of
22 his transition. So keep his wife and his family in
23 your prayers, as we go forward during this difficult
24 times in terms of his passing. He left a legacy on
25 this Department. He left a legacy on the city and DPD.

1 And I knew him personally because he was my
2 investigator when I hired in in 1971. In fact, he
3 called me up when I was traveling in Mississippi and I
4 was debating whether I wanted to go through this
5 transition. He called me up and said, hey, we have got
6 a job for you. You need to come back home and take
7 this job. And he was my sergeant and lieutenant, and
8 at Mack and Gratiot. So he served this community
9 extremely well. And some of us are close to him. I
10 just wanted to share that with you as we go forth. So
11 definite keep the Robinson family in your prayers.

12 It is good to see Assistant Chief James White
13 sitting in.

14 A.C. WHITE: Good afternoon.

15 CHAIRPERSON BELL: Good afternoon. Thank you
16 for your attendance.

17 Perhaps we can still do the rollcall.

18 And I just want to say that we are looking
19 forward to Commissioner Jessica Taylor is joining us
20 shortly because this is her last day. I would have
21 other comments to make, but it is good to see
22 Commissioner Donnell White in attendance this afternoon
23 also.

24 And so if the Board Secretary, Mr. Anthony,
25 would conduct the rollcall at this time.

1 SECRETARY ANTHONY: Thank you, Mr. Chair.
2 For the record, George Anthony, Secretary to
3 the Board.
4 Commissioner Lisa Carter?
5 COMMISSIONER CARTER: Present.
6 SECRETARY ANTHONY: Commissioner Willie E.
7 Burton?
8 Commissioner Reginald Crawford?
9 COMMISSIONER CRAWFORD: Present.
10 SECRETARY ANTHONY: Commissioner Eva Garza
11 Dewaelsche has asked to be excused.
12 Commissioner Conrad Mallett has asked to be
13 excused.
14 Commissioner Ricardo R. Moore?
15 COMMISSIONER MOORE: Present.
16 SECRETARY ANTHONY: Commissioner Richard
17 Shelby has asked to be excused.
18 Commissioner Jessica Taylor?
19 Commissioner and Bishop Edgar Vann has asked
20 to be excused.
21 Commissioner Donnell White?
22 COMMISSIONER WHITE: Present.
23 SECRETARY ANTHONY: Mr. Chair, you have five
24 commissioners. You do not have a quorum.
25 CHAIRPERSON BELL: Thank you, sir.

1 So we are going to act as a committee of a
2 whole at this particular time until we have that sixth
3 person join us and we have a quorum to conduct the
4 agenda that you have before you.

5 And I just want to introduce a couple of
6 young guys that retired quite some time ago.

7 First of all --

8 COMMISSIONER CRAWFORD: Young.

9 CHAIRPERSON BELL: Yeah, I say young guys.
10 One of my former, former running buddies for many, many
11 years, and being assigned out with the Guardians who
12 approve of Chief Hart and Mayor Young, we traveled not
13 only city of Detroit, but across this country, and
14 that's retired Sergeant Herman Hutson. And we
15 appreciate you coming out this afternoon.

16 RETIRED SERGEANT HUTSON: Thank you.

17 CHAIRPERSON BELL: It is good to see you and
18 good to interact.

19 RETIRED SERGEANT HUTSON: Good being here.

20 CHAIRPERSON BELL: And admire the person that
21 encouraged me to run for the Board of Police
22 Commission, I don't know whether to thank him or not,
23 and that's Retired Lieutenant Alvin Bowman. And he has
24 been attending throughout the year in terms of my
25 chairmanship from the community. And he was in Lansing

1 with me also in term of lobbying. So he has been a
2 great friend, a great supporter. And so he had a
3 distinguished career in the Police Department too, but
4 we all were activists at one time, and we had here, we
5 had that type of interaction. So I appreciate them
6 coming out this afternoon.

7 So Assistant Chief White, I think we
8 see -- would you do introductions for who else might be
9 here?

10 A.C. WHITE: Yeah. I don't have my glasses
11 on. I see Deputy Chief Tina Tolliver. And I see
12 jack-of-all-trades here, from our Technology Department
13 and other places. And that's all the DPD I see. Just
14 the retirees that are here, welcome. Glad to see you
15 all again. I've worked for at least two of the people
16 in this room. That's one of my former sergeants
17 sitting over there. So welcome.

18 CHAIRPERSON BELL: Okay. And I just want to
19 introduce also Dr. Divers, who is a long-term
20 counselor, teacher, and community activist, and a
21 fellow church member. He is serving in the capacity of
22 working with -- I won't say working for, but I will say
23 working with Council George Cushingberry. He is
24 serving on his staff. So I just want to appreciate
25 him. And he attends quite a few meetings in terms of

1 his role with the Councilman as a concerned citizen,
2 one of the Osborn High School counselor for many, many
3 years. I won't tell you age but --

4 So Mr. Secretary, I assume we can go forward
5 with Assistant Chief report. Would that be
6 permissible?

7 SECRETARY ANTHONY: If you don't mind, I
8 would just like to introduce the staff that are here.

9 CHAIRPERSON BELL: That would be -- we can do
10 that staff, certainly, by all means.

11 SECRETARY ANTHONY: Thank you, sir.

12 Ms. Pamela Davis-Drake, our Chief
13 Investigator, is seated in front.

14 CHAIRPERSON BELL: Yes.

15 SECRETARY ANTHONY: Mr. Robert Brown, our
16 Administrative Assistant, is in back recording the
17 proceedings. And Ms. Rhonda Foster from Hanson Court
18 Reporting Service is taking the transcript.

19 That completes the introductions, sir.

20 CHAIRPERSON BELL: Thank you, sir. Good to
21 see all of you, in terms of --

22 Any audience member want to introduce
23 themselves? Just stand up, please. So we on
24 housekeeping right now.

25 MR. CORLIN: Yeah, Chief White may not

1 remember me. I am actually a visitor from Los Angeles,
2 but native Detroiter.

3 CHAIRPERSON BELL: Yeah.

4 MR. CORLIN: I actually volunteer about a
5 hundred hours a month to the Los Angeles Police
6 Department's Criminal Gang Homicide. We met a few
7 years ago when I first started -- when the Chief first
8 started here. And I haven't had an opportunity to come
9 back.

10 One of the things that I am looking forward
11 to possibly coming back here --

12 CHAIRPERSON BELL: I am sorry, give your name
13 to the mic so she can catch it. I'm sorry.

14 MR. CORLIN: Yeah, my name is Arnie Corlin,
15 it's C-o-r-l-i-n. I am a native Detroiter who is
16 living in Los Angeles. I volunteer about a hundred
17 hours a month to the Los Angeles Police Department's
18 Criminal Gang Homicide.

19 One of the things that I have done as a
20 rental property owner, I've put up over 130 cameras
21 that the L.A.P.D. has used in 27 homicides, resolved
22 five use of force complaints against officers. And
23 like I say, I know Chief White may not remember me, but
24 we met briefly, and this gentleman here, I don't
25 recall. But I am looking forward to just coming back

1 here and kind of sharing what I have learned. My
2 properties are all in Watts, if anybody is familiar
3 with South Los Angeles, I have got 10,000 gang members
4 in ten square miles, and yet, I can explain why I no
5 longer have the gang activity, any shootings. And we
6 did it without arresting or evicting everybody. So if
7 anybody is interested, I will be glad to share.

8 CHAIRPERSON BELL: Okay. Thank you for
9 coming out and attending our meeting. That should be
10 interesting, what's happening in L.A.

11 So I assume that at this time we can have
12 Assistant Chief report out, so that's not an action
13 item at this time.

14 A.C. WHITE: Good afternoon, Board.

15 CHAIRPERSON BELL: Good afternoon.

16 A.C. WHITE: I am here sitting in for the
17 Chief who is out today.

18 It has been a very, very eventful couple of
19 weeks in the city. Very sad and violent week, with
20 regards to a lot of the shootings that have happened.

21 We have met as a team. We continue to meet
22 to try to curtail this uptick in violence.

23 Ironically, we continue to trend in other
24 crimes in the right direction, down. But the violent
25 crime, the ones -- the crimes that people, you know,

1 quality-of-life-type issues certainly are the ones that
2 we are focused on. And they are trending in the wrong
3 direction as it relates to some of the recent
4 shootings.

5 We are implementing a lot of strategies that
6 I am not going to go into right now, but I will tell
7 you that the Chief is aware, is engaged. He has
8 engaged all of us, and we will not be reactive. We
9 will attempt to be proactive. And as everybody here
10 knows, we as the police cannot do it alone. This is a
11 community issue. This is a life issue. And we really
12 need the help of the community.

13 Most recently, with the street parties or the
14 community parties, and the shootings that have happened
15 there, we have not received much support from the
16 community as it relates to who is doing what. A couple
17 of these people are local heroes in the community. And
18 as such, there are people reluctant to say what's going
19 on. So we continue to pound the pavement and look for
20 these folks who are terrorizing our community.

21 I guess I just want to assure the Board that
22 we are engaged. And that, you know, we are not asleep
23 at the wheel. The Chief is out there, as you know, you
24 see him out there. We are out there. And this is just
25 a real bad time for us. And we are hoping to get a

1 handle on this very soon.

2 The other issue, I am sure everybody saw, was
3 the 500-pound pig in the basement. And that could have
4 been a lot worse than it was first reported. Because
5 that was actually reported as a homicide. There was an
6 allegation that the gentleman -- I use the term
7 loosely -- was murdering and feeding his victims to the
8 pig. So you could imagine our surprise when we got
9 there to find the pig in the basement with no stairs at
10 approximately 500 pounds. Obviously having eaten
11 something. So we had to go through and see exactly
12 what we were dealing with.

13 Animal Control, they get beat up a lot, but
14 they did a phenomenal job, Mr. Ward, in particular, and
15 his team, being in a hot basement, covered, and you can
16 only imagine trying to get a 500-pound pig for
17 approximately ten hours out of the basement. So just a
18 phenomenal job.

19 And fortunately for us, there was no evidence
20 that that was a homicide scene. The guy was a hoarder.
21 He has everything in his backyard from caskets to, what
22 else? radiators, and you name it, just an unbelievable
23 scene. So we got the pig out.

24 And then you saw yesterday that he has
25 another property in Highland Park. And now Highland

1 Park has a 300-pound pig in their basement.

2 So it has been a very eventful week, as I
3 indicated. And we continue to fight crime, to try to
4 engage the community, and get through this hopefully
5 temporary uptick.

6 That's it.

7 CHAIRPERSON BELL: Any questions or concerns
8 to Assistant Chief?

9 COMMISSIONER MOORE: Through the Chair, just
10 a quick question.

11 In regards to blight and lights in our city,
12 have there been any conversations with the Mayor's
13 office in regards to the correlation between crime and
14 the lack of light in certain areas and blight?

15 A.C. WHITE: Yes. There has been. And the
16 discussion has come up often. There are actually quite
17 a few programs going on right now. One is the -- I am
18 trying to think of the name of it, it has got a very
19 unique name to it. But it has to do with graffiti, and
20 lighting, and cameras. They are all working together.
21 And I was a part of that on the initial onset, but
22 A.C. Dolunt's office is managing that. And Scott Hayes
23 is working on that, as well.

24 Also, I don't know if you all know, when the
25 Mayor does his presentations once a month in the

1 communities, he talks about his strategic lighting
2 program. And because I don't have it in front of me, I
3 hate throwing stuff out that I might not be on point
4 with, but I do know that they are ahead of schedule on
5 lighting up the city. And he actually gives a date
6 certain that the city should be a hundred percent lit.
7 I don't have that date with me, so I don't want to just
8 throw it out there, but -- so yes, there has been
9 discussion. And the plan does consist of lighting
10 areas, you know, how that reacts to crime and other
11 things. And the Police Department is engaged in that
12 conversation, as well.

13 COMMISSIONER MOORE: Because the concern I
14 had was with the Dexter/Webb shooting, even today the
15 streetlights are still not on on Dexter. And the
16 Detroit Police Department had to contact the Detroit
17 Fire Department for lighting. So now you have three
18 City entities on one issue. So that's where the
19 question arises from. But I have always, you know,
20 rose that question. And then pass. So thank you,
21 Chief.

22 A.C. WHITE: You are welcome.

23 CHAIRPERSON BELL: Chief, you need to report
24 out on what took place last Thursday on Van Dyke and
25 Kercheval. So if you would share an awareness of

1 Butzel, I don't have the proper title, but I know --

2 SECRETARY ANTHONY: Family Center, Butzel
3 Family Center.

4 A.C. WHITE: Oh, you know, we have had so
5 many issues. That's a good one. Wait a minute, I
6 don't have that in my notes.

7 No, yeah, that was a great day. And
8 unfortunately, it did not get the pub it should have.
9 We probably had about a thousand people there. The
10 police were there. Community members were there. The
11 Board was there. And the kids really had a great time
12 interacting with everybody. A noneventful event in
13 terms of crime or problems or fights and things like
14 that.

15 Commander Bettison, who is usually here, I
16 wish was here, could really speak --

17 Can you get ahold of Bettison? Maybe he can
18 join the meeting before --

19 But it was just a great event by all. The
20 Police Department was there. We had the officer who --
21 I don't know if anybody saw the video -- that was
22 downtown dancing. The Chief thought, you know, it
23 might be a good idea for him to engage the young people
24 and brought him in. And he kept the young people
25 engaged. And it was just a very positive event. And I

1 thought it was a great thing. I wish I had saw it on
2 the news. You had a thousand young people in one area
3 with no problems. That's something that should have
4 been headline news.

5 CHAIRPERSON BELL: And they were there early.

6 A.C. WHITE: They were there early. And what
7 happened was, the younger kids came in at the beginning
8 of the event, the onset of the event, the 5- through
9 10-year-olds. And then as the day progressed, you had
10 your teenagers. And by the end of day, you had a
11 cross-section of the entire community there.

12 CHAIRPERSON BELL: I just -- I know stopping
13 by to witness that type of interaction, that's
14 something they should have reported out in terms of all
15 three stations, but it really was a good forum and
16 good, you know, peaceful, healthy, and folks, you know,
17 all individuals were there really -- they were really
18 enjoying themselves. And I saw the officer do his
19 little thing up on stage before I left, so that was --
20 I mean, it really was a great day. The weather
21 cooperated.

22 A.C. WHITE: Yes.

23 CHAIRPERSON BELL: I just want to commend the
24 Department to have that type of interaction.

25 A.C. WHITE: Thank you. And also, you know,

1 the volunteers that were there stepped up. White
2 Castle stepped up. Subway stepped up. They -- a lot
3 of food for the kids. They dropped off I think
4 Commander Bettison told me about a thousand White
5 Castles, and so all the kids ate. And it was just a
6 really good time.

7 CHAIRPERSON BELL: Thank you.

8 Any other questions? Concerns?

9 Thank you, sir, for reporting out. If
10 Commander Bettison show up, we will definitely give him
11 that opportunity to share some more dialogue in that
12 forum and that kind of fashion, so...

13 Young lady, since we are doing a little
14 housekeeping, and we don't have a quorum, would you
15 want to come up and give us an update in terms of your
16 interaction, anything you want to -- I can't, I am
17 sorry, I apologize for not knowing your name, but you
18 can introduce yourself at the mic.

19 MS. FARMER: Sure. My name is Alexis Farmer,
20 again, from Data Driven Detroit.

21 I don't have too much of an update other than
22 that I am still waiting on getting some data collected.
23 So I have been working with Ms. Pamela Davis to get
24 some of the complaint information up, as well as
25 talking to Garlin Gilchrist who is the Deputy Director

1 for Technology and Civic Engagement for the City. And
2 so we are kind of working together to get that
3 information on the City's open data portal so that Data
4 Driven Detroit can take that information, and make a
5 more comprehensive analysis of it. So it's still kind
6 of in the waiting stages. And I am waiting to hear
7 back from the Chief as far as whether or not it has
8 been approved.

9 CHAIRPERSON BELL: Maybe you can give us a
10 little background because of the people were not here
11 when you spoke earlier. Can you give us a little
12 background if you don't mind?

13 MS. FARMER: No.

14 CHAIRPERSON BELL: Okay. Thank you.

15 MS. FARMER: Okay. So I am working on the
16 Police Data Initiative, which is borne out of the White
17 House, to have like two streams of work. One of them
18 being releasing open data, so at least three data sets
19 that are aren't currently released to the public,
20 things like use of force, officer-involved shootings,
21 pursuits, including information that could be the age,
22 the race, and gender of both the defendants and the
23 officers. And also another tracking more internal
24 accountability, so being able to use some of that
25 information to inform some of the decisions that police

1 officers make, and do like some type of early warning
2 analysis with some of the officers. So that's kind of
3 the premise of the initiative.

4 CHAIRPERSON BELL: Any questions or concerns?

5 We appreciate it.

6 Oh, yes, sir.

7 COMMISSIONER CRAWFORD: Yes, sir. Through
8 the Chair.

9 Well, I guess it was weeks ago when we met
10 too, I said that -- well, it is my intention to check
11 back often in terms of the Department, you know, the
12 progress of this or lack thereof. Because I think it
13 is a good initiative. So thank you.

14 MS. FARMER: We are definitely working on
15 getting some of the big data, and then just in the
16 meantime working on some of the data that is available,
17 like complaints, some of kind of the information that
18 was in the report from last meeting about like the
19 applicant hires.

20 So if some of you all are available, I do
21 have a few questions to ask about how I can access some
22 of the things that are like currently out there, even
23 just like the Districts that you all represent, some of
24 the Police Department Districts and Precincts and those
25 offices, and how I can get that information to get that

1 on the city report, as well.

2 CHAIRPERSON BELL: Thank you. Appreciate it.

3 COMMISSIONER CARTER: I have a question.

4 CHAIRPERSON BELL: Yes.

5 COMMISSIONER CARTER: I am sorry, through the
6 Chair.

7 CHAIRPERSON BELL: Yes.

8 COMMISSIONER CARTER: How long is the
9 initiative?

10 MS. FARMER: How long is it?

11 COMMISSIONER CARTER: Yeah. When did it
12 start and how long will it continue?

13 MS. FARMER: So it officially launched in
14 May. It had been in the working since about November
15 of 2014. And then there was an event at the White
16 House in April, early April, where there were about I
17 think maybe about a hundred or so people, a collection
18 of police officers, chief technology officers,
19 information officers both from departments different
20 like University staff that could kind of help data
21 analysis experts. And we gathered it together to
22 figure out how we can really make this initiative work.
23 And so right now as of day like 21 communities are
24 already signed up, and so I am just trying to get
25 Detroit to be another initiative, another city. So

1 there is like kind of ongoing things and different
2 cities are releasing data just kind of at their own
3 will.

4 COMMISSIONER CARTER: How many people are
5 working with you or are you by yourself in the city?

6 MS. FARMER: Okay. I can answer that in
7 different ways. I was an intern at the White House
8 while this was going on. So I worked on it while I was
9 there. And so I do still have some support from the
10 presidential innovation fellows that like warned this
11 initiative. So I am in communication with them. I do
12 work with Garlin Gilchrist a lot about like kind of
13 where the data should be stored. And then my staff at
14 Data Driven Detroit has been very supportive and
15 helpful in the process, as well.

16 COMMISSIONER CARTER: Thank you.

17 CHAIRPERSON BELL: Thank you. Appreciate it.

18 (Commissioner Taylor entered at about 3:25
19 p.m.)

20 CHAIRPERSON BELL: I want to welcome
21 Commissioner Jessica Taylor to the Board meeting. And
22 you are star of the afternoon. Because you give us a
23 quorum.

24 COMMISSIONER TAYLOR: Oh, all right. Okay.

25 CHAIRPERSON BELL: Okay. We appreciate your

1 attendance, and your involvement.

2 COMMISSIONER TAYLOR: Thank you.

3 CHAIRPERSON BELL: Commissioner Jessica
4 Taylor.

5 So at this time, you're on record, and we
6 have a quorum now, so we can proceed ahead.

7 Is that correct, Mr. Secretary?

8 SECRETARY ANTHONY: That would be correct.

9 CHAIRPERSON BELL: Okay. The Chair would
10 entertain a motion to approve the agenda for this
11 afternoon meeting.

12 COMMISSIONER CARTER: So moved.

13 COMMISSIONER MOORE: Second.

14 CHAIRPERSON BELL: It's been properly moved
15 and second.

16 Ready for the question. Those in favor, aye?

17 COMMISSIONERS: Aye.

18 CHAIRPERSON BELL: Those opposed?

19 Motion carried.

20 The Chair would entertain a motion to
21 approval of the minutes from Thursday, June the 25th,
22 2015. The minutes have been circulated and you have in
23 your package. They was e-mailed to you also. So what
24 is your pleasure in terms of a motion?

25 COMMISSIONER WHITE: Mr. Chair, I do have an

1 amendment to the minutes --

2 CHAIRPERSON BELL: Yes, sir.

3 COMMISSIONER WHITE: -- as presented. On
4 page 2, under number 10, where it references
5 Commissioner White advised that the Feds have set aside
6 \$50,000 for witness protection. Actually, my comments
7 arised out of I believe that through Wayne County,
8 there is only a budget line item for \$50,000 for
9 witness protection efforts. And which may lead us to
10 some conversation that we should explore forfeiture
11 funds and others to look at bolstering that account.

12 CHAIRPERSON BELL: So we have the corrections
13 to the minutes.

14 COMMISSIONER WHITE: Move for adoption.

15 CHAIRPERSON BELL: It's been moved.

16 COMMISSIONER MOORE: Second.

17 CHAIRPERSON BELL: Those in favor, aye?

18 COMMISSIONERS: Aye.

19 CHAIRPERSON BELL: Those opposed?

20 Motion carried.

21 Thank you, Commissioner White, for that
22 correction. It has been duly noted. And therefore you
23 will get that correction.

24 We already heard from the Chief of Police.

25 At this time, we can move forward with

1 D.C. Tolliver in terms of the concerns that were raised
2 at the last meeting reference to -- perhaps Board
3 Secretary, sort of highlight those concerns that we had
4 at that meeting, I would appreciate it.

5 SECRETARY ANTHONY: I think Commissioner
6 Carter asked about the purpose of the forfeiture fund
7 and expenditures out of the forfeiture fund and things
8 of that nature. And yeah, I think that was basically
9 it, just to the expenditures, and where does the money
10 go for the most part.

11 CHAIRPERSON BELL: Thank you, sir.

12 Commissioner Carter, that's pretty much what
13 you -- concerns?

14 COMMISSIONER CARTER: Pretty much.

15 CHAIRPERSON BELL: Okay. You are here.
16 Good.

17 Good to see you, D.C. Tolliver.

18 D.C. TOLLIVER: Good afternoon. Second
19 Deputy Chief Tina Tolliver.

20 So the first question is, what is the purpose
21 of forfeiture dollars?

22 So we have the ability to collect funds from
23 operations that result from seizures or forfeits of
24 property or cash. We have local forfeiture, and we
25 have federal forfeiture. The category is dependent

1 upon who we are partnering with during the operation.

2 There are about 19 permissible uses for
3 forfeiture funds. But the primary purpose is for law
4 enforcement purposes. That can include equipment, that
5 can include uniforms, that can include vehicles.

6 There are also impermissible uses that can be
7 found and that we follow, but all of those items are on
8 the Department of Justice's website.

9 If you would like, we can forward a copy of
10 those permissible and impermissible uses to you.

11 As far as collections, from 2000 -- up
12 through 2014, for three years, over a three-year
13 period, we collected about \$6 million.

14 Again, we used those dollars across the
15 board. One of our largest recent purchases was the
16 armored vehicle. That was about a half million
17 dollars.

18 Then you also have the piece where there are
19 forfeits for operations such as OTE, you know, the
20 offer to engage for prostitution. And then forfeits
21 that are related to narcotics-related vehicle seizures.

22 In those cases, the claimant has an
23 opportunity to retrieve their vehicle for \$900. And
24 depending on why the vehicle was seized, the City will
25 get a portion of the \$900.

1 If it is an OTE operation, the City gets \$650
2 out of the 900. And if it is the other operation, we
3 get I believe \$700. \$750.

4 There is usually about a one-month turnaround
5 between the time that the \$900 is paid to the County
6 and the time that we get those funds.

7 Our last checks that we received were delayed
8 because they had some personnel issues at the County,
9 but I think we are back on track. And I think those
10 are the primary areas that we get those funds from.

11 COMMISSIONER MOORE: Through the Chair, where
12 are the funds housed? Are they in the City's general
13 fund, or are they housed someplace else?

14 D.C. TOLLIVER: No. The forfeiture dollars
15 by law have to be kept separate. So they are in a
16 separate fund, in a separate bank account.

17 COMMISSIONER MOORE: Thank you.

18 CHAIRPERSON BELL: Any other questions or
19 concerns?

20 COMMISSIONER WHITE: Thank you, D.C.

21 Do we have a responsibility to spend those
22 funds annually to zero balance, or does it carry over
23 year to year?

24 D.C. TOLLIVER: Depending on the type, they
25 can carry over. I can't remember which one, but it is

1 several years. It is several years. And every year,
2 we have to submit a report to the Department of Justice
3 on our expenditures, and then some other law
4 information that they require from us, as well. And we
5 have not had any findings from the DOJ.

6 COMMISSIONER WHITE: And for the funds, if I
7 may, for the funds that are not able to be carried
8 over, is that forfeited back to the DOJ if it is not
9 spent here? Or what happens to those funds?

10 D.C. TOLLIVER: I wouldn't know that. I
11 would have to -- I would have to find out what would
12 happen because we haven't had that issue.

13 COMMISSIONER WHITE: Okay. Good.

14 CHAIRPERSON BELL: Go ahead, sir.

15 COMMISSIONER CRAWFORD: Through the Chair, so
16 I realize you said \$6 million over the last three
17 years.

18 D.C. TOLLIVER: Three years.

19 COMMISSIONER CRAWFORD: So what do we have
20 today at this moment in the fund? What do we have?

21 D.C. TOLLIVER: Well, I would not count the
22 current year, only because, for example, with the
23 federal forfeits, the claimant has an opportunity to go
24 to court and get those funds back. And sometimes it
25 can take a long time. So accounting-wise, those funds

1 are called refundable deposits that we cannot touch
2 until the case is adjudicated. And so when we get the
3 court order, we send the claimant there, whatever we
4 have been ordered to do. We also pay legal fees out of
5 that fund, and the Wayne County Prosecutor fees, as
6 well.

7 COMMISSIONER CRAWFORD: Yes, ma'am. So
8 pardon me. We still, aside from that, you talked about
9 the funds, and I do understand that in terms of that
10 may be involved in some litigation or something like
11 that or they have the opportunity to come back and
12 perhaps through court maybe get their money back. So
13 aside from that, do we have a balance of -- that's
14 separate from that?

15 D.C. TOLLIVER: I am sorry, I was leading up
16 to say the current year, we will not close out the
17 funds that we have collected for this year until we go
18 through our end of the year process, for that very
19 reason. So I would not feel comfortable giving the
20 current year number.

21 COMMISSIONER CRAWFORD: Yes, ma'am. Okay.

22 D.C. TOLLIVER: But I can give you for sure
23 our collections through 2014.

24 COMMISSIONER CRAWFORD: Yes, ma'am.

25 D.C. TOLLIVER: Because typically by now,

1 funds received through July '13 through June 2014,
2 would have already been adjudicated. And it can take
3 several months for these things to go through court.

4 COMMISSIONER CRAWFORD: Yes, ma'am. Thank
5 you.

6 D.C. TOLLIVER: You are welcome.

7 CHAIRPERSON BELL: Any other questions or
8 concerns?

9 I just have one question. I think I raised
10 this question last year, in reference to the forfeiture
11 law stipulates, and you can correct me if I am wrong,
12 in reference to drug education prevention, and I didn't
13 do a follow-up in reference to pursuing that with the
14 Department, but I know at one time, we used to engage
15 in drug education prevention. The most noteworthy
16 person was Michael -- Officer Mike Lemon, doing a whole
17 lot of that in the schools and community, wherever.
18 And so where do we stand today in reference to -- first
19 of all, is that part of the law, I mean, the ordinance
20 dealing with that in terms of are we engaging in drug
21 education prevention, which is part of that criteria?

22 I know at one time quite a few churches and
23 community groups, etcetera, etcetera, received funding.
24 And there was a whole lot of gray areas because they
25 was not utilizing those funds properly, and then

1 borderline criminality, etcetera, etcetera. So I know
2 they shut it down for a period of time. But where are
3 we today with those, if that's something that we should
4 be engaging in, are we engaging in today?

5 D.C. TOLLIVER: Well, I know that the
6 Department is reviewing all of the permissible uses.
7 And we are coming up with a plan on what we want to use
8 the funds for. That's how the armored vehicle came
9 about and things of that nature.

10 We have to be very careful in what we do
11 because we want to make sure that we, number one, use
12 the money properly, and we have so many needs that we
13 want to make sure that we cover as many areas as
14 possible.

15 To your point, one of the permissible uses is
16 drug and gang education and awareness program. So yes,
17 you are correct.

18 CHAIRPERSON BELL: Okay. So what your
19 respond is that we are not indulging -- we are not
20 engaging in terms of manpower or spending monies in
21 that area? Would that be your respond?

22 D.C. TOLLIVER: No, my response is that is a
23 permissible use in that we are reviewing some of the
24 areas that we are going to spend the funds on going
25 forward.

1 CHAIRPERSON BELL: Well, perhaps this is for
2 A.C. White. In other words, that there is no activity
3 in 2014, 2012, 2015, reference to that particular area,
4 you are reviewing it now to see how we --

5 D.C. TOLLIVER: As far as forfeiture dollars,
6 now we are engaged with, you know, several
7 youth-related programs.

8 CHAIRPERSON BELL: I am talking specifically
9 dealing as that provision stipulates.

10 D.C. TOLLIVER: On drug awareness?

11 CHAIRPERSON BELL: Yes.

12 D.C. TOLLIVER: We have not, to my knowledge,
13 done that in several years, specifically out of
14 forfeiture dollars.

15 CHAIRPERSON BELL: And Detroit, like most
16 cities, we do enforcement, we have young people who
17 continue to engage, we debate about marijuana, I know
18 heroin use has increased. So I think that's an area
19 that the Department really should look at because I
20 don't -- you say for several years.

21 D.C. TOLLIVER: Let me say this, Chairperson.
22 One of the programs is called D.A.R.E.

23 CHAIRPERSON BELL: I understand.

24 D.C. TOLLIVER: And -- but what I am saying
25 is at this moment, I cannot say if we are using

1 forfeiture funds for that project.

2 A.C. WHITE: If I may, through the Chair, the
3 two programs that we used to fund was D.A.R.E. and
4 GREAT, the Gang Resistance Education and Training
5 program. Those two programs over the years have not
6 been as active as they were. And we have found that
7 really, we weren't getting the best use of our funding
8 through those programs. So as the D.C. indicated, we
9 have so many needs and there's been such a lack of
10 investment in the Department for a number of years, we
11 found that using our forfeiture funds differently was
12 more beneficial for us.

13 We are still engaged, though, however, in
14 those practices, but not using forfeiture funding. So
15 we are still engaging the youth. The program that we
16 just did last week was a youth engagement program. And
17 there are many other youth engagement programs. They
18 do a youth camp every year. But specific to forfeiture
19 funds, no, we have not line item a forfeiture fund for
20 gang resistance education or drug resistance education.
21 Have we provided equipment over the years for gang
22 intel, things like that? Yes. And that's some of the
23 things we are looking at now, how can we enforce the
24 law specific to those groups, get more people in those
25 areas, get more equipment in those areas, more

1 technology? That's more bang for our buck.

2 CHAIRPERSON BELL: I would hope that -- we
3 not in compliance, and that ordinance, I mean, that law
4 would specifically, you know, address that could -- I
5 am familiar with it, because we work with it, we didn't
6 get funding from DPD, we got funding through --
7 temporarily through Wayne County government, you know,
8 through the Sheriff Department, through Wayne County
9 Commissioners. So that area I would hope that we would
10 engage, because it is targeted for that drug education
11 prevention awareness. And surely we have people still
12 engaging, that has not ceased, that continue down that
13 line.

14 I just hope that we can do some type of
15 monitoring and you can report out, you know, at some
16 point in time how we should be in compliance with that,
17 you know, when all these issues dealing with -- I know
18 middle school and high school, you have got to start
19 early, that type of awareness, like campaign, no
20 smoking, no drinking, you know, we just lost two
21 outstanding young people from Cass and King, in terms
22 of -- on Connor, as you well know, I visited the scene,
23 we had about 120-some parents there, you know,
24 speeding, whatever that went down, but basically is
25 that I am sensitive to that we should be working in

1 that area.

2 A.C. WHITE: Yes.

3 CHAIRPERSON BELL: I just want to share that.

4 A.C. WHITE: Yes, and if I may just as a --
5 by way of follow-up, and I apologize if I am not --

6 CHAIRPERSON BELL: I understand.

7 A.C. WHITE: -- framing it in the correct
8 manner. There are a couple of issues. As it relates
9 to compliance, we are not noncompliant --

10 CHAIRPERSON BELL: Okay.

11 A.C. WHITE: -- with regards to the
12 forfeiture funds. There is an opportunity in the
13 forfeiture fund to fund those programs. And what I am
14 saying to you is over the past couple of years, we have
15 not focused on funding those programs. But I don't
16 want to leave you with the impression that there has
17 been no programming. Those are totally different
18 concepts. We are actively engaged with our youth in
19 the community. We are actively engaged with our youth
20 in the schools. We are installing right now a police
21 program in a school. Assistant Chief Stair is working
22 on assisting with a training and teaching program that
23 will talk about drug resistance education and funnel
24 those kids into the Police Department and the Fire
25 Department should they choose these careers. So we are

1 constantly actively engaged. And again, Commander
2 Bettison is working on a number of programs.

3 Now, as it relates to forfeiture, because
4 of -- you know, and I am not blaming everything on the
5 bankruptcy, but the bankruptcy is what it was. And
6 there was a lack of investment in the Department, so
7 because there was such a significant need, we have
8 focused a lot of our forfeiture dollars on those other
9 opportunities that forfeiture avail to us to, you know,
10 building use for 2121 Fort Street, where we house our
11 forfeiture vehicles, those types of things. But the
12 investment in the youth is not lacking. It is just not
13 being funded through forfeiture.

14 Lastly, we are already engaged in planning
15 our forfeiture dollar structure for the next year,
16 right now. And we will certainly take into
17 consideration what you have brought to the table today.

18 CHAIRPERSON BELL: I appreciate that clarity,
19 and I think that would be really worthwhile in terms of
20 hearing as you develop that. I appreciate you giving
21 that clarity. And I know you are engaging young people
22 because I witnessed that on several different
23 opportunities.

24 Commissioner Crawford?

25 COMMISSIONER CRAWFORD: Yes, sir, through the

1 Chair.

2 Yes, sir, Assistant Chief, I want to thank
3 you for stating it, the funds are being used for some
4 other things. That's all. That's up front.

5 Also, too, ma'am, the new budget cycle begins
6 July 1st?

7 D.C. TOLLIVER: Correct.

8 COMMISSIONER CRAWFORD: Okay. So in terms of
9 the Commission's budget, could we get a printed copy of
10 our budget some time thereafter?

11 D.C. TOLLIVER: Absolutely. As soon as the
12 Department -- as soon as the Budget Department releases
13 the budget, they will be forwarding the Board their
14 copy, as well.

15 COMMISSIONER CRAWFORD: Yes, ma'am. Thank
16 you very much.

17 D.C. TOLLIVER: But as of today, we have not
18 gotten it yet.

19 CHAIRPERSON BELL: And I would go further,
20 just it was in the minutes that Commissioner Conrad
21 Mallett is chairing up the Budget Committee. I would
22 hope that you would be willing to meet with him in the
23 coming weeks to go over our budget so we can be aware
24 of how to approach our budget for 2016, '15 and '16.
25 That will be a tremendous help. So I am pretty sure

1 through the Board Secretary we can set up a meeting
2 with just the Budget Committee and perhaps the Chair in
3 reference to these issues. Because if we can't track
4 our money, then we are not doing -- we are not good
5 stewards. So we want to be more engaged in that
6 process.

7 Appreciate you coming this afternoon on a
8 short notice to address those concerns.

9 I assume that there is no other comments from
10 the Commission. Thank you.

11 Yes, sir?

12 A.C. WHITE: No.

13 CHAIRPERSON BELL: Thank you again.

14 Appreciate it.

15 D.C. TOLLIVER: Thank you.

16 CHAIRPERSON BELL: Standing committee
17 reports?

18 Any new business?

19 Any old business?

20 I just -- okay.

21 (Commissioner Burton entered at about 3:45
22 p.m.)

23 CHAIRPERSON BELL: Commissioner Burton is
24 coming forward.

25 Thank you, Commissioner Burton, for your

1 attendance.

2 COMMISSIONER BURTON: Thank you, Mr. Chair.

3 CHAIRPERSON BELL: Under old business, I just
4 want to share this as -- a couple weeks ago, we talked
5 about our electoral process, election process for this
6 Board. And I suggested that the next administration,
7 you know, would take a look at it, but I hate to have
8 unfinished business in a way. So if we look at June
9 the 9th, 2016, Tuesday, which is a community meeting,
10 if we could check that date for the election of the
11 Board Chair and Vice Chair, that date is Tuesday -- I
12 am sorry, June the 9th, 2016, at 6:30, it would be a
13 community meeting. And I would like to share that with
14 the Commission at this time, to get out front, there
15 will be clarity, there will be a target date. And we
16 could entertain that in terms of one year out in terms
17 of knowing the date, knowing the timeframe, in the
18 community meeting.

19 Would this Board entertain a motion to
20 designate that as the date, of June the 9th, 2016, for
21 the election of the Chair and the Vice Chair for next
22 year, in terms of clarifying and giving a target date
23 and locking that in, and then we can move forward?
24 Would the Board entertain that date and timeframe?

25 COMMISSIONER WHITE: Comment, Mr. Chair.

1 CHAIRPERSON BELL: Yes, sir.

2 COMMISSIONER WHITE: I certainly appreciate
3 the spirit by which your commentary just arised. I do
4 believe, which is evident in our last election process,
5 that there is some work that this body should do in the
6 interim. The only concern I would forecast is that so
7 far in advance, you still would not have the will of
8 your body at that time. And so if members are -- if we
9 vote for a date specific now, that date could
10 ultimately down the road not be the most optimal date
11 to hold an election process. But seeing that we know
12 at the end of next term, an election is ensuing in
13 June, I would make a recommendation, as well, is that
14 the body should come together 30 days out, 60 days out,
15 whatever is closer to that time.

16 And also I believe, Mr. Chair, is that in
17 their hands should be an approved bylaw amendments that
18 speaks more clearly to an amendment process. But I
19 think my only hesitation would be is doing it so far
20 out, is you still run the risk of not having a complete
21 buy-in from all members present or availability of all
22 members present by forecasting so far in advance.

23 CHAIRPERSON BELL: Okay. I think the Chair
24 would entertain that if we share this date, and it is
25 being circulated, and perhaps sit down at next meeting,

1 we can pursue what you just suggested, whether it be 60
2 days, or 90 days, but as you well know, the far out --
3 you cannot predict what's going to happen next year,
4 but there are dates of elections scheduled for next
5 year that's already locked in, you know, and ours is
6 not as significant as their dates in terms of a general
7 election, presidential election, going to start, so I
8 would entertain that if this Board would keep that in
9 mind on that date, then perhaps when we get others to
10 come on board, I mean, for next week, that we can take
11 what you advised in terms of whether we are going to do
12 it 60 days or six months or make that decision next
13 week. Would that be something that we could entertain?

14 I need some feedback.

15 Yes, sir.

16 COMMISSIONER CRAWFORD: Through the Chair, I
17 would suggest also, too, that we look at the bylaws and
18 perhaps amend the bylaws or something to that effect to
19 include this electoral process. And that being said,
20 it can be 30 days prior to. I understand what you are
21 saying, Mr. Chair, about June 19th, because that's
22 almost 30 days prior to -- one being elected, almost
23 30 days prior, and then taking the seat the 1st and --

24 CHAIRPERSON BELL: Yeah. I think you need an
25 interim period, you know, to have that transition.

1 COMMISSIONER CRAWFORD: I am in agreement.

2 CHAIRPERSON BELL: Right. So if we entertain
3 that, you know, then the bylaws would just be amended
4 to what we indicate. So you have the date now. And if
5 not, it is what Commissioner White indicated, it could
6 be stipulated, I would like to see two months out. You
7 know. People make plans. Or even six months out.
8 People make plans early on, you know, in terms of their
9 vacation and activities of that nature. So just keep
10 that in mind in terms of that type of discussion. Then
11 perhaps next week or the week after, we can make a
12 decision on that. So I just wanted to not just push
13 that aside, but keep that before you in terms of
14 resolving those issues.

15 So Commissioner Crawford and Commissioner
16 White, in the spirit of that, we would take that into
17 consideration, so...

18 COMMISSIONER CRAWFORD: Yes, sir.

19 CHAIRPERSON BELL: Announcement, the next
20 meeting would be Thursday, July the 9th. That's
21 6:30 p.m.

22 And Sonia, you have your handout, right? You
23 know the date? The 10th Precinct, City Temple
24 Seventh-Day Adventist Church at Grand River. And
25 that's going to be our next community meeting.

1 And we are now working on August the 13th
2 meeting. And we would have a location forthcoming, and
3 that would be August 13th, so our next meeting in that
4 timeframe.

5 At this time, we would like to hear from the
6 audience. You have an opportunity to come to the mic,
7 give your name. And you have two minutes. And we ask
8 that you be respectful. We have respect for you.

9 So please come. Yes, ma'am.

10 MS. WINTHROP: I just want to know the cross
11 street of the meeting, Grand River and what? I'm from
12 the Eastside.

13 CHAIRPERSON BELL: I don't know the cross
14 street. You are right. I am from the Eastside. I
15 don't know the cross street.

16 COMMISSIONER MOORE: Through the Chair, it is
17 between Joy Road and West Grand Boulevard. I will be
18 more specific with you after the meeting when I will
19 look, but it is on Grand River.

20 CHAIRPERSON BELL: So would it be helpful
21 when we put this on our schedule, to give you a cross
22 street?

23 MS. WINTHROP: Yes.

24 CHAIRPERSON BELL: Okay. Mr. Secretary, have
25 you heard that? We will give you a cross street.

1 That's always helpful, especially for us Eastsiders
2 going to the west side. We will make it a point of
3 doing that, and make sure that we give you some
4 landmark. Not all of us have GPS and understand the
5 location. So we would make a note of that.

6 Okay. It is an open mic. So you have an
7 opportunity.

8 MS. PANNELL: Good evening. Sharon Pannell.
9 I just want to wish Donnell and Jessica good
10 luck.

11 COMMISSIONER TAYLOR: Thank you, ma'am.

12 MS. PANNELL: Going to miss you.

13 CHAIRPERSON BELL: Anything else?

14 Open mic.

15 A.C. WHITE: Do you want to add something?

16 CHAIRPERSON BELL: Yes, sir.

17 A.C. WHITE: Two things. The kids that
18 responded, Sergeant Perkins, from Community Policing,
19 is here. The kids at the event was -- did you say
20 almost 2,000 kids?

21 SERGEANT PERKINS: Yes, sir.

22 CHAIRPERSON BELL: Wow.

23 AUDIENCE: Wow.

24 (Applause).

25 A.C. WHITE: I didn't know that. And they

1 took a peace pledge. Now, we fed them White Castles,
2 so we didn't feed them healthy. But that was a lot of
3 kids. And they all took a peace pledge and vowed to
4 stay out of trouble for the summer. So that was really
5 good.

6 CHAIRPERSON BELL: Good.

7 A.C. WHITE: And also on behalf of the Police
8 Department, the two Board members moving on, I want to
9 thank you for your service and your professionalism,
10 from the Police Department. We really appreciate it.
11 And you will be missed.

12 COMMISSIONER TAYLOR: Thank you.

13 CHAIRPERSON BELL: Here come the deacon.

14 DEACON ADAMS: Mr. Chair, Tom Adams,
15 businessman, citizen of Detroit.

16 I wanted to thank both Donnell White and
17 Ms. Jessica Taylor for their outstanding work. And,
18 you know, I have known both of them for many, many,
19 many years. Donnell, through his work with the NAACP,
20 and champion all the causes, you know, of people within
21 the city of Detroit.

22 And uplifting Ms. Taylor for the work that
23 she has done with prisons and also with other aspects
24 of the community and the city.

25 And I don't think you could find two finer

1 people that I hold a lot of respect for. And I just
2 want to thank them for the years of service on this
3 Commission. One thing you can count on is whether they
4 agree with your issue or not, you have to respect their
5 position on where they come from, respect who they are.
6 Because they are always about trying to do the right
7 thing. Thank you.

8 (Applause).

9 CHAIRPERSON BELL: Thank you.

10 MS. SMITH: Bernice Smith, political
11 activist.

12 And to A.C., Commission, I couldn't sit there
13 and let them two say something without me having my
14 opinion.

15 This morning, Donnell and I were at a service
16 at my church today. So that's why I am a little, you
17 know, Sunday go-to-meeting.

18 CHAIRPERSON BELL: Which church?

19 MS. SMITH: Tabernacle. We were at the
20 service of --

21 CHAIRPERSON BELL: You knew that.

22 MS. SMITH: What was the name? Leon
23 Atchison, who was a staunch member of the NAACP, along
24 with Adams and myself. And that's when Donnell was a
25 little one, just getting his feet wet with us. So

1 again, I reiterate what I thought, my thoughts are
2 about Donnell.

3 And my dear friend Jessica. When Jessica
4 first appeared before us, I looked at her, and I said,
5 now what is she doing sitting in here? She don't know
6 anything about the Police Commission. But then I later
7 found out her background was impeccable. She is
8 involved with the prison, which I was slightly, but she
9 knows what goes on in the prisons just about. She has
10 been out there in the forefront along with Tom. And
11 Tom couldn't have been a better teacher to bring her
12 along and have her as his assistant. I congratulate
13 her, especially. And I do hope the best for her in the
14 future. And hope that we will continue to have our
15 friendship. Because I will call you on your cell
16 phone.

17 In the meantime, my dear Donnell, I told him
18 when I fell out with the NAACP five years ago, because
19 of certain things happening, and I didn't like it, and
20 I told him I would be back when he becomes the
21 president. I am tired of waiting. So I came back
22 anyway the last couple of years.

23 So we are doing a good job. And this last
24 dinner that we had was wonderful, the menu wasn't so
25 hot, but anyway, the speech was wonderful. And I was

1 proud of the people because they didn't walk around
2 like they normally do and disrupt dinner.

3 So again, I congratulate you both seriously,
4 and hope that your future will be bright. And I know
5 you will do the best whatever endeavor that you go
6 into. And hopefully you will soon be the president of
7 the NAACP. And we will have a staunch youth program.
8 Because we have it right now. Again, congratulations.
9 And thank you so much for letting me speak today.

10 CHAIRPERSON BELL: Thank you.

11 (Applause).

12 DR. DIVERS: My name is Arthur Divers.

13 I just wanted to lift up the two persons who
14 are retiring. As you know, you don't get any salary.
15 But nevertheless, you are willing to come and give your
16 service and your knowledge and your skills. Not many
17 people are willing to do that in our time, at this
18 time. I am President of Winship Community Association.
19 And I know the importance of volunteer work, and having
20 people who will come aboard. Not only come to your
21 meeting, but be active and Chair a meeting and provide
22 a service to the community. And so I want to salute
23 you, salute you, salute you for your dedicated service
24 and leadership to this Board, and to this community.
25 We need more, more citizens who will do this task. And

1 it is a task. It is a heavy task. But you stepped
2 forward. You carried the water. And you have done an
3 outstanding job.

4 And so again, I am Arthur Divers, but I don't
5 want to just salute your service and your leadership
6 and your dedication to this job. Thank you.

7 (Applause).

8 CHAIRPERSON BELL: Yes.

9 CHIEF INVESTIGATOR DRAKE: For the record,
10 Pamela Davis-Drake, Chief Investigator. There is a
11 passage of Scripture that says if you lack wisdom, ask
12 for it, and it shall be given to you. And I have had
13 the great opportunity to work with two very wise
14 people. I don't know if they felt it was wise enough
15 to hire me, but they did. And I don't know if they
16 feel that way still.

17 But Commissioner Taylor, Commissioner White,
18 you have certainly been mentors to me. Your wisdom,
19 your knowledge, your understanding, your support has
20 been invaluable to me, and to the job that I have held,
21 not only as in my employment, but also in friendship.
22 Thank you so much for everything that you have done.

23 Certainly, I cannot thank you enough for
24 giving me the opportunity to be an employee for you,
25 and the Board, and to serve the citizens of Detroit,

1 but also the support that you gave to OCI, even through
2 the consent decree, through me pulling my hair out many
3 days in making phone calls to you all, I am telling
4 you, you were always there. And I thank you so much
5 for everything.

6 I will be keeping in touch, no doubt. I
7 expect great things from you, Commissioner White, I
8 expect to you see you running for some office on a
9 large scale at some point.

10 Commissioner Taylor, you are already there.
11 You are doing so many things that people do not know
12 of, working in very high offices, and with very high
13 authorities. And I think you are very meek and humble.
14 You don't always let folks know what you do. But you
15 are an outstanding individual.

16 Both of you are. And I just thank you for
17 all of the support, all of the love, all of the wisdom
18 that you have shared with me over the last, gees, it is
19 almost three years, three years, thank you so much.
20 God bless you. And I know that you will do wonderful
21 things.

22 (Applause).

23 COMMISSIONER BELL: Any other from the
24 audience?

25 If not, Commissioner, do you have --

1 COMMISSIONER CRAWFORD: Yes, sir. Through
2 the Chair.

3 I just want to say it has been an honor to
4 serve with the two of you. I noticed on some
5 occasion -- well, I always seem to have sat to
6 Commissioner Taylor's left. And then sometimes the
7 seating arrangements sort of changed when Commissioner
8 White was to my left. And today, they have me between
9 the two. So we have had our moments of disagreement,
10 but in my opinion, they have been -- I have always
11 respected your opinion and respected the disagreements.
12 And nothing was never personal, and I really wish the
13 two of you well, beyond this, beyond the, you know, as
14 a -- well, leaving the Board, anyway. And any time
15 anything is needed, you can always reach out to me.
16 Thank you.

17 CHAIRPERSON BELL: Commissioners, any other
18 comments?

19 Okay. Any other?

20 I just want to say that, first of all, as a
21 Board member who came on Board in January of 2014, with
22 six other elected commissioners, and Commissioner
23 Taylor was Chair, and Commissioner White was serving on
24 this Board, they have been more amenable to greeting
25 us, interacting us, schooling us, and just really been

1 a blessing. There was no separation of their
2 commitment and our commitment. So I know they have
3 served five years, as Dr. Divers stated, it is not for
4 the money, it is for the commitment and service to this
5 community. Because the Board of Police Commission have
6 a very, very important role in this community in terms
7 of public safety. So in terms of knowing the history
8 of the Board of Police Commission since 1974, and what
9 they went through, the Justice Department, and where we
10 are today, has been extremely important, I think.
11 Assistant Chief White has mentioned the role that this
12 Board played and the Chief Investigator played. They
13 did -- they made a major decision in terms of hiring
14 you. So they have good judgment.

15 And I just want to say on behalf of the
16 Commission that did not speak, but basically I know
17 they feel the same way in terms of your commitment,
18 professionalism, and your beckon call. It is going
19 beyond the scope of just raising your right hand. You
20 was here to serve the weekly meeting. You was here to
21 serve this community, entertain all interaction with
22 the Department. I know in some instance, a challenging
23 job. And you don't get the recognition. But we
24 recognize that.

25 I know you are stepping away from this Board,

1 but you are not retiring. You are going to be active
2 in your respective role. Donnell White is the
3 Executive Director of NAACP, one of the youngest hired.
4 And I know I have a great deal of respect in terms of
5 serving in that capacity in terms of the advancement of
6 colored people and people of color. That's very
7 meaningful because it is something that people call on
8 NAACP, well, I know they are there, they have got to
9 respond to my charge now, but they are not members or
10 anything like that, but the NAACP has played a role. I
11 know when we got laid off back in the '70s, we filed a
12 lawsuit. And the NAACP took up that lawsuit. They
13 filed a lawsuit. And we worked hand in hand with the
14 executive director and others in terms of winning that
15 lawsuit. So --

16 And myself and Herman I know are life
17 members, we led the charge at the time to get as many
18 members as to be life members. And I thought that was
19 one of the proudest moment of my life to be a life
20 member of NAACP. And hopefully others have taken up
21 the banner through the churches and NAACP. Without the
22 NAACP and other civil right organization, we would not
23 be where we are today in terms of serving in this
24 capacity.

25 So I just want to thank you over and over as

1 you go forward in terms -- we are going to be leaning
2 on you, we going to be calling you, we are going to --
3 your words and wisdom is not going to be wasted on us.
4 So we really appreciate your role.

5 And we have some light refreshment. And we
6 have a nice picture of these two young people here.
7 You get to share some personal remarks. And we are
8 going to share with others. And eventually going to
9 give it to them as a keepsake. So I just want to thank
10 you. Thank you. May God bless you, with Godspeed,
11 keep you well, keep your family well. And as you
12 continue to give to the City of Detroit, surely we need
13 living legends like yourself to be part of that. And
14 hopefully one day we have all the Commissioner names on
15 some prominent wall, and your name will be right up
16 there. Both of you have served as Chair, you know
17 about the leadership role of this Board.

18 So in my final remark, I just want to thank
19 this Board for allowing me to serve as your Chair for
20 one year. It is we, it is not about I, it is all about
21 we, in terms of that type of commitment. I think we
22 achieved a great deal in that year. I worked tireless
23 for you, in terms of lobbying, in terms of my
24 advocating on behalf of this Board. And hopefully in
25 December, we will be reinstated.

1 I have had great support from the Board
2 members. I have had great support from my Chair, who
3 is going to be the Chair. I would render my service,
4 Vice Chair of the Board members to her and to this
5 Board. This is not about I. It is always about we.
6 And this day and age, we must move forward in terms of
7 the issues that impacting the city of Detroit and the
8 state of Michigan. I just hope that people understand
9 the role.

10 I was looking at how we say our duties and
11 responsibilities. My opinion, we don't have to say
12 that anymore. We have been around for 41 years. And
13 we just need to say, we are the Board of Police
14 Commission. We should not have to read a statement.
15 We should know who we are, the community know who we
16 are.

17 When the Council go before you, they don't
18 read a statement. They are the Council. When the
19 Mayor go before you, he is the Mayor. When the Chief
20 go before you, he is the Chief.

21 So therefore, we should stop reading that, in
22 my opinion, and say, we are the Board of Police
23 Commission. And you should know your history from
24 1974. We should establish that criteria that we don't
25 have to explain ourself in terms of charter. We are

1 the Board of Police Commissioners, a 41-year history.
2 So we should stand on that legacy. We don't have to
3 give an explanation. We have a charge. If you want to
4 Google us, so be it, the history is there.

5 But I think we really need to be on that type
6 of soapbox, and say, we are the Board of Police
7 Commission. And then we can go forth in terms of
8 July with that type of understanding to the public.
9 And you should know us by our works, by our deeds, not
10 by our verbal dialogue. You should know us by our
11 charge because that's basically -- when you say NAACP,
12 that's all you need to say. You know them by their
13 work.

14 MS. WINTHROP: I am Carolyn Winthrop, Block
15 Club.

16 I was ignorant of you. I didn't know
17 anything about you since this year. So there might be
18 a lot of people like me out there.

19 CHAIRPERSON BELL: Well, that's why we have
20 some written information for you.

21 MS. WINTHROP: I have no information.

22 CHAIRPERSON BELL: That's why every meeting
23 we are going to make sure that you have the literature
24 there.

25 MS. WINTHROP: Would you give me yours? I

1 don't know what to tell nobody.

2 CHAIRPERSON BELL: We are going to toot our
3 horn by our deed, make sure you are aware, that you are
4 now aware. But I am just saying we really need to
5 stand on that type of platform, that we are the Board
6 of Police Commission. And not have to explain who we
7 are. But we have the literature. We have information.
8 Because the Council, Wayne County Commission, they
9 don't go through that ritual every time they come out.
10 They should know who we are. And that's what we are
11 trying to convey. I appreciate your remark.

12 Yes, sir?

13 MR. LAWSON: Okay. For the record --

14 CHAIRPERSON BELL: I thought we was finished
15 with that.

16 MR. LAWSON: I know. I thought we were, too,
17 but the latter of the conversation, I just wanted --

18 CHAIRPERSON BELL: Okay. You have two
19 minutes, sir.

20 MR. LAWSON: Okay. Thank you. I won't take
21 long. Oh, Isaiah Lawson, okay, for the record.

22 I understand what you mean by that, but also
23 to what the lady was just saying, there are so many
24 people that don't know, and they need to know. So when
25 you say NAACP, I pledged a fraternity, so you had to

1 learn that, you had to know that.

2 Just 16-, 17-year-old might not know the
3 purpose of the NAACP, might not understand that. We
4 should actually be active in letting them know what the
5 Police Commission does. Why they are here. Why that's
6 important. I don't want to lose that.

7 Also, the same thing with the Mayor's office.
8 Ask our children, what does the Mayor actually do?
9 What does the Police Chief do? But I mean, that's what
10 I mean, because people are standing up on that soapbox,
11 you just ignore them, because I don't live on a
12 soapbox, I live on Seven Mile, and I have these issues.
13 And I have these problems. And the Police Commission
14 represents me. And I didn't know that. And there is a
15 lot of people that have that. I just don't want to --

16 CHAIRPERSON BELL: Well --

17 MR. LAWSON: That's all I meant by it, but I
18 respect what you are saying, you are from the Eastside,
19 as well, so I know where your heart is, I promise you.
20 That's all I mean by that. So that's it.

21 CHAIRPERSON BELL: No, what I am saying is
22 that we are going to do hopefully more marketing.

23 MR. LAWSON: There we go.

24 CHAIRPERSON BELL: More awareness.

25 MR. LAWSON: Oh, yeah.

1 CHAIRPERSON BELL: Public service
2 announcement, that's how you -- because we really don't
3 get to turn all our meetings, we really need to do more
4 of that, even to -- we have to think out of the box
5 now.

6 MR. LAWSON: Yeah.

7 CHAIRPERSON BELL: You look at a 3:00
8 meeting, maybe is that -- we echo that maybe we need to
9 have more community meetings. Where we reach more
10 people. You don't reach the people with the same
11 choir. You have to really go beyond this room to get
12 out in the community.

13 MR. LAWSON: Yes, sir.

14 CHAIRPERSON BELL: And that's the type of
15 word, that's what I am trying to convey to the public
16 and to the community. We need to do more of that, more
17 identification, more marketing.

18 MR. LAWSON: Yes, sir.

19 CHAIRPERSON BELL: You are only good as you
20 advertise it.

21 MR. LAWSON: Yes, sir.

22 CHAIRPERSON BELL: Because most people are
23 not going to come to you. You have to do that broad
24 span. You know, General Motors, Chrysler --

25 MR. LAWSON: Oh, yeah.

1 CHAIRPERSON BELL: -- they out there
2 marketing.

3 MR. LAWSON: Absolutely.

4 CHAIRPERSON BELL: There's people marketing
5 at the event, so that's the type of awareness I am
6 talking about because we don't really reach the people
7 that we should reach. And we need to be creative in
8 terms of how to approach that. I can read you a script
9 every day.

10 MR. LAWSON: Yes, sir.

11 CHAIRPERSON BELL: But it still don't reach
12 the people that we need to reach. So therefore, that's
13 what I am saying to you, that we need to get outside of
14 this little box, and we satisfied with that, we have to
15 do more. And I think we are engaging. And that's why
16 the Charter, I broke it down to district, and at large,
17 you know, so that's the type of box I am talking about
18 trying to get out of it.

19 MR. LAWSON: Yes, sir. I understand.

20 CHAIRPERSON BELL: So that's what I am trying
21 to -- and you can help do that. Once you get exposed
22 to something, then you need to share that information
23 about the Board of Police Commission.

24 MR. LAWSON: I will.

25 CHAIRPERSON BELL: And we will give you all

1 the tools you need, but it is not complicated. You can
2 Google anything and find out more than you need to
3 know, as you well know. So that's the message I am
4 trying to convey to you, sir, because we are not
5 reaching people.

6 MR. LAWSON: Yes, sir.

7 CHAIRPERSON BELL: Mr. Crawford?

8 COMMISSIONER CRAWFORD: I just have one
9 question.

10 You said Seven Mile, what district? What's
11 the cross street? You said Seven Mile.

12 MR. LAWSON: I'm Seven Mile and Hayes.

13 COMMISSIONER CRAWFORD: You are in my
14 District.

15 MR. LAWSON: Yeah.

16 CHAIRPERSON BELL: Thank you, sir.

17 If there is no other business to --

18 COMMISSIONER BURTON: I would like to make a
19 statement.

20 CHAIRPERSON BELL: Yes, sir.

21 COMMISSIONER BURTON: I just want to thank
22 Commissioner Taylor and Commissioner White for allowing
23 me as the youngest commissioner on the Board to learn
24 from them, from the two of them. And it has definitely
25 been an honor, you know, serving along with them. I am

1 looking forward to working with them. And I just want
2 you to know that I appreciate your service. And thank
3 you for showing me, you know, working with me, because
4 I needed the help. So --

5 And I wanted to say this, too. There's been
6 many days and many nights I called on Commissioner
7 White. And he was always there. And the same for
8 Commissioner Taylor. So the two commissioners was
9 always there when I called. So thank you both.

10 CHAIRPERSON BELL: If there is no other
11 business before this body, I want to thank you for
12 coming out this afternoon. As I mentioned before, we
13 have light refreshment. And I want you to have a safe,
14 safe, and a blessed holiday break, in terms of July
15 the 4th. And keep in mind the real purpose of July
16 the 4th, in the way we have got a whole lot to be
17 thankful for. And we should be continuing to pray for
18 those who are hurting, as Assistant Chief mentioned,
19 that there have been so many issues in our community,
20 that we need to try to respond and do better in terms
21 of serving in this community and reach out to touch
22 someone in some form or another.

23 So the Chair would -- and this -- are we
24 ready -- refreshments in the back room, right?

25 SECRETARY ANTHONY: Yes.

1 CHAIRPERSON BELL: Okay. The Chair would
2 entertain a motion for adjournment.

3 COMMISSIONER TAYLOR: So moved.

4 COMMISSIONER WHITE: Support.

5 CHAIRPERSON BELL: It's been properly moved
6 and second by Commissioner Taylor and Commissioner
7 White. They want to make this transition.

8 So ready for the question, those in favor,
9 aye.

10 COMMISSIONERS: Aye.

11 CHAIRPERSON BELL: Those opposed?

12 Bless you. And thank you.
